How to access online safety trainings

Access online trainings here (requires Northeastern account to log in):
https://northeastern.bioraft.com/

Or, log into myNortheastern and click "EH&S Training and Lab Management Platform"

Then:
1. Log into BioRaft with your myNortheastern username and password
2. Self-register for the research group you plan to join:
   a. In BioRaft, click "My Account"
   b. Click "My Profile"
   c. Click "Self-register for a Lab" and follow the instructions (don’t worry about the checkboxes)
3. Click on Training > My Training > Course Directory
4. Click on Launch Course for each online course you must complete. Refer to the Bioengineering Required Safety Trainings document at http://www.bioe.neu.edu/bioe/about/forms to determine which safety trainings you must complete. Note that there may be additional requirements from what is listed on your BioRaft account.

Be sure to carefully follow the instructions within each online training module in order to get credit for the course.

How to register for classroom safety trainings

Access classroom trainings here (requires Northeastern account to log in):
https://northeastern.bioraft.com/

Or, log into myNortheastern and click "EH&S Training and Lab Management Platform"

Then:
1. Log into BioRaft with your myNortheastern username and password
2. Click on Training > My Training > Course Directory
3. Click on Sign Up for each classroom course you must complete.
4. Sign up for the classroom session that works with your schedule

Some trainings are also posted on the calendar at www.northeastern.edu/ehs/. You can register for these by clicking on the training name at the date and time you wish to attend:
